### SPECIFICATIONS

|                        |             |                           |                               |
|------------------------|-------------|---------------------------|-------------------------------|
| Model                  | IM0250HDM   | Power Supply              | Single Phase                  |
| Part Number            | 3935185     | Plug Supplied             | 1 x 16A                       |
| Unit Weight            | 65kg        | Plug Location             | Rear, bottom right            |
| Packaged Weight        | 70kg        | Water Consumption         | 11L/h                         |
| Ambient Temperature    | 40°C        | Maximum Daily Production  | 250kg/24h                     |
| Energy Consumption     | 13.6kWh/24h | Ice Type                  | Half Dice                     |
| Refrigeration Capacity | 1250W       | Ice Weight                | 10g                           |
| Refrigerant            | R404a       | Storage Bin Compatibility | SB129, SB178, SB243           |
| Electrical Voltage     | 220-240V    | Warranty                  | 3 Years Parts & 1 Year Labour |
| Frequency              | 50Hz        |                           | Bromic Extra Care             |

Production is based on kg/24hr at 10°C air & 10°C water

### DIMENSIONS

|        | External<br>(mm) |
|--------|------------------|
| Width  | 558              |
| Depth  | 610              |
| Height | 610              |
|        | Packaged<br>(mm) |
| Width  | 620              |
| Depth  | 680              |
| Height | 800              |
