

COMBINED FREEZER

ZCDTD210-TOP

The ZCDTD Series are designed to maximise frozen storage capacity while reducing floor footprint, making them ideal for supermarkets, convenience stores, and specialty retailers. With dual-zone operation, these units feature a top freezer with sliding self-closing doors and a spacious bottom freezer equipped with baskets for efficient stock organisation. The illuminated canopy provides built-in space for eye-level branding or product advertising, helping boost sales directly at the point of purchase.
